CENTRAL INTELLIGENCE AGENCY

Office of Legislative Liaison

7 March 1985

Mr. Vic Johnson
Staff Director
Subcommittee on Western
Hemisphere Affairs
Committee on Foreign Affairs
House of Representatives

OLL 85-0698/1

Following our appearance before the Subcommittee on 4 March 1985, we have become aware that Congressman Kostmayer feels the Subcommittee has received differing figures from various agencies for certain items of military equipment in the Nicaraguan inventory. The attached two tables reflect agreed judgments of all agencies in the United States' Intelligence Community. Table 5 is drawn from a National Intelligence Estimate, "Nicaragua: Prospects for Sandinista Consolidation," published in February 1985. Figure 2 is drawn from an Interagency Intelligence Memorandum now in the final stages of production.
